Youth:

1 st	\$50
2 nd	\$25
3 rd	\$15

**All payout prizes are paid in the form of a Kinsey's Outdoors gift card based on net proceeds.*

Format & Rules

- Contestants must be legally licensed to hunt in PA or in the state of harvest for the out-of-state division
- Contestants must obey all applicable game laws, seasons & bag limits (antler restrictions, tags, equipment use, etc.)
- All contestants must pre-register prior to the start of each season
- PA divisions are limited to PA hunting seasons & native, wild PA deer only (no pen raised animals or out-of-state animals will be accepted). Out-of-state division is open to legal harvest of wild deer in states other than PA
- Deer must be brought to Kinsey's for scoring purposes within five (5) days of the close of either season for each PA division & by December 9th for out-of-state division
- Antlers or deer must have antlered deer tag attached & all information must be appropriately filled out
- Deer taken during the statewide firearms season with a vertical bow or crossbow will be entered in the firearm division
- Scoring based on B&C & P&Y scoring systems only
- Gross antler score will determine winners
- Antlers will be scored by Kinsey's Outdoors staff during business hours
- Once measured, all scores are considered final
- If a contestant argues the first score, a second staff member may re-score the antlers in question; once measured, the total of BOTH gross scores will be averaged to determine the final score — set of antlers may only be re-scored once
- All out-of-state bucks will be judged against one another, regardless of the state the deer was taken.
- PA deer are only judged against other PA deer.
- Antlers may need to be left at Kinsey's Outdoors in order to be scored due to store business or any other variables
- Tie breaker will be the spread count of each buck; second tie breaker will be the length of the longest main beam (tie breakers used among potential 1st place bucks in PA divisions)
- Kinsey's Outdoors reserves the right to disqualify any deer entered into the contest for any reason
